

Dear Bhauji's -

Chandigarh 24-1-66

During January this Dikshu Bhau has been  
busily comparing the warlike Pangabes,  
Jallandhar, Hosiarpur, Ferozpur, Faridkot and  
Batalinda have been duly subdued  
and the capital is about to capitulate.  
There is a ball on the battle front  
and we find time in our eternity  
to scribble you a greeting of good cheer  
- trusting it will find you in the best of  
well being and at its own ease in the  
amandatal Maya: Siddh Sahj: interplay -  
"All that lives is holy, and integrated  
whole, and all is alive - rays wings"

All our bodies are fit and pliable,  
fast night the flesh and bone, some wear  
in an over-embodied train from 10 PM to  
4 AM with bulky Pangabes breathe  
around and on top of it - condense  
to suffocation and claustrophobia,  
but the day we have revived by touching  
the source: "Only Be Still and..."  
experience that "thou art God", "Ker  
I'd not that ye are gods", "Just  
awaken into rally and ego: freely  
and aware of our Self every where in  
the world.  
Our role at present is in the  
disguise of "Sainthood" whole rather  
than holy, internally accepting "Tattvic  
ground" rather than a poudi play in "Tattvic  
tricks."

2 or in noisy ecstasies, "So many various  
roles in Surothanna at many diverse  
persona: masks and beautiful differences,  
and these can be graceful empathy,  
and yours interplay in ever changing  
phenomena and actualities, though only  
the Eternal is Real. It is fortunate  
that Sainthood is natural and familiar  
to our form baby hood - and that it be  
intuitively recognized and appreciated  
by fellow pilgrims in Himalayas  
Chandigarh, in which we all  
spool with the lowest - we,  
we are at present with kindred  
saintly sicks, whose best room  
is dedicated to the holy Grand Sahel:  
- Bible and to Sūrya Silence -  
The next best room and sunny  
Verandah upstairs are grass  
exclusively by Saints! These swarms  
in the Pangabes as in Himalayas, but  
only one is sheltered here at 6 times  
and our most quality by the  
quality of your Sainfree Parvina:  
Love and ego free empathy - and

3 solve your lotus feet; you are saved as you are - but see that your halo is not too tight-fitting or too pünnyly askew! B - go thought: free and ego free with a permanent curl on your way: tail and let ananda bubble up - and down - "what i am to you that I AM" and what Paul says about Peter tells us more about Paul than about Peter's ego: your admission by what you say about fellow-pilgrims - and if you laugh at me, it is yourself you are laughing at. - So only smile - "judged not!" and speak not verbosely! We suffices and is often - among hazy Ego's, though they be blithered and blithered and wisely assertive - and really lovable - when owned intuitively and intely only as your self They are being used daily in the Swasthans according to their practices like karma and in the business of the Source as was Jeshua ben Joseph of the age of 12: and in due Swasthans - But only the Eternal is - Real.
