

Dear Friend,

Kali Mat,
April 2nd

We had a lovely time in Poyat
during the winter Vahij raid.
specially some weeks at Kuruk,
Shelton University - but was delayed
in Delhi - by 2 weeks - and by a
fall, Bolyji's fell person in the
street to his mother earth and
was not much the worse for it.
Only left side of face swelled
up in anger and closed the eye
for a while and nose bleed -
profusely - Such waste of blue
noble viking blood - says Wuyji -
but he had contrived the fall so
that we could have 11 days in a
quiet garden to write his biography.
The 12th of March we came back to
Belmore (Bolyji and i, Epoyi, both
well) to cope with 2 ~~months~~
mail - There are more than 200
names in the address-book and
we cannot cope with personal
letters - so have a page typed -

Love,

We enclose one which has just
 come back from Typist and hope you
 can decipher the writing since -
 now at 8 & we are in complete
 mourning - within the sanctuary - -
 Eye: talk just out disturb the flow
 of Major's biography as it bubbles up -
 We are still ~~not~~ want free as
 well as word free - and walking
 to Almore for shopping, post and
 Typist - but again this morning
 body again went in for a severe
 accident: it fell from the roof
 and a leg was injured - not very
 badly, not broken but it may be
 in time to "bounce" to Almore to
 nurse - It is our attitude to thing
 or happening that are most important!

We send you Himalayan
 blessing and grace on your Pr
 pranabha Karun - in the
 beautiful Swa Lila -

Vihing Bhai -
 Janya.
