

Dear Bhaiji,

Surya Kali Mat.  
Almora U.P.  
25.11.1926

We are still waiting for the fare to Delhi to fall upon us - It is late for the Buddha Jayanti and we shall hardly be able to stay 24 hours in Bareilly this time - a little later on we may return (middle of December, and then stop at your leisure. And we will inform you of likely date. We may pass Bareilly on Tuesday or more likely Wednesday evening - this week, and do not know how much waiting time there be between the trains. We wish to write more fully in reply to your lovely letter and well expressed thoughts but must get ready to go - and wish our Delhi folks of victory - said. Sri Chow En Sai craves the presence of Sri Chow Chu Wuji, but this Tibetan Sage opines that Mahamed must come to the mountains and experience their Self in the Alaya, the Akasha Pastures of the Sahaja Penum Void - Wm!

2. Masterji calls Dikhi - Devil's evil  
vile ill as H.L. and as ye keep the  
Himalayas - Himalayas never count evil  
or engage in un-Himalayan  
activities. She will however be  
at home to the Dalai and Tashi  
Lamas if these guys choose to  
intrude in Suvya, W. Vihar or  
Turya - Holidays & has, mean  
whiles thin Self seeds us as  
ambassador: excellency as a gesture  
of simple Himalayan courtesy and  
grace and we will leave ego: pride, plans  
and power behind. One is lighter if one  
drops the conceit of agency in this misfit  
world and play mind: freely will, freely  
and ego: freely W. and "Sin is" behevally.

We hope you are all Well - and we shall  
love to visit our home with you later  
on - Outside the Himalayas - Suvya - Cause we  
have no predilections, likes and dis likes  
and are free to meet all your friends.

Our Karuna: Love to our Babe and  
to you all from Vihing Bhai in  
Suvya -
