

Joy Bhagavan!

We are all Bhagavans... All beings are from
the very beginning ~~Buddhas~~ say, ~~Hakim~~, - and in Christian
gospel truth we are advised. "Be still and know" -
(in a experience) that there are not gods - "Kenya not that
of one gods -" "The Source and I are One", a non dual
One... It is "The god in every man of the Quaker, The
Society of Friends; - and it is The Emmanuel or inherent,
indwelling - innermost Christ, or Christ consciousness,
of Meister Eckhart - Angelus Silesius & Julian of Norwich
It is inherent - a Sleeping Beauty - which, in the due
fulness of time, awakens. Down - consciousness, can
reawaken into conscious - graceful Self-awareness - just
by the touch of the divine touch of the Divine Prince.

In Sri Bhagavan Sri M. M. S. entourage the greeting on
arrival and departure is "Joy Bhagavan". Yes, we are
all Bhagavan - and can awaken into conscious, abiding
Self-awareness. The Source or Unground and I are One.

Now here in the Far West - as in ¹Bharat ²Himalaya,
Sages, Swamis, Sadhus Babas and Bhagavans, begin to
awaken - We aware them in a naked beauty by the peaceful
Ocean. We do have occasional earthquakes - but the Ocean
does not quake. The waves and the bellows are close to the Sea.
Eastern Wisdom begins to suffuse our golden shores - and
our Golden bridges - It begins to suffuse the efficient knowledge
and external power plays and the mere happiness of
the small busy bodies & clever minds, and small egotists.
