Your Royal Majesty,

Jens Bjerre and Paul Möller tell us that Your Majesty still remembers meeting this queer Dikhy bhai in Delhi some 10 years ago, when we had a meal together at the Danish Embassy. Then, and earlier, some article had appeared in the Danish press about "Helleg Sørens - En slim alene Hils bare". One article had as caption: "Jeg kan ikke dø for jeg var ikke født. Wn ha da!" - Now, recently, Jack Lind had a "Sung-Splash" in "Politiken". It, and Jens Bjerre might have brought our name to your notice. We feel that neither Jens nor Jack clearly understand - but rather mis understand or mis-represent Sunyata. To Jack's "Splash" our reaction is: "What Paul says about Peter tells us more about Paul than about Peterji, and you cannot expect - an Ugly Duckling to be acclaimed a Param-Hansa-Swan in a chicken yard - nor in a duck-pond." Wn ha da!

So in case Your Majesty find interest and time - we scribe you a correction - first apologize for not being able to express in our mother tongue:

Since 1911 we have been living in English speaking realms. *Men a ke da snak jydske. Mi Mue* rö: Do a da a see jen! We appear in 1890 - on a small, isolated farm near Aarhus -

a harmonious childhood in natural simple contentment and in what we now call pre ego consciousness and grace-awareness. *From your letter* Maharshi called us "A rare form mystic" - *with me* said (We are always aware, Sunyata)

asked by devotees: "Who are you Ma? an Avatar or a re-incarnation of which shakti goddess?" She simply said: "What I am to you that I am!" When a Swami asked: "What is the nature of your Samadhi?" Ma's reply was: "It is really for you, Pitaji, to give names to Samadhis, I can only say that, in spite of all the changes of body, mind and events, I feel that I am still the child I was in my infancy -"

Become, and remained, aware of your innocence, your child like purity. The Christ-conscious Joshua ben Joseph said: "Suffer the small children to come unto Me, for of such is the realm of Grace. Unless ye re-become as small children, ye can in no way and no wise re-enter the Realm of Grace - of Grace awareness. Ye must be re-awakened, re-born into Spirit and Truth. Art thou a Sage in Israel, Nicodemus, - and unaware of such simple facts?"

To a Samaritan woman, who had had many husbands and now lived with a gay, Joshua could say, "A time shall come and now is, when ye shall worship me neither in these mountains nor in Jerusalem, but in Spirit and in Truth." Thou art thy Self the object of thy search.

In pre-ego consciousness there is inherent, intuitive wisdom, - pure innocence. We are not "born in sin", but in innocence & wholeness and holiness. "Poor in Spirit" means trust in Life: because we are Life; desire free, will free, ego free, goal free, possession-free and, of course, time free, lust free and death free. We are graceful, at joyous ease; before ego-consciousness duly usurps and divides. Babes are wise, mind free and whole before we become clever, ~~knowable~~ brats. "Sell your cleverness and bring bewilderment and you may awaken to aware your Self. and Be at joyous ease in Grace: awareness." - (Rim. Emmanuel El innerstands: The indwelling Christ-consciousness is always with egos. Why do we fuss and flatter and worry. The Source and I are a non dual One

Being - Awareness. Grace: This thou art, Oh!

At 90 years of body-age one can still feel age-free and child-like. You may call it second childhood, but, in some of us, it may be a reminder and a confirmation of eternal youth, divine life-awareness. We are Life Divine! Forms change in constant transformation. Of that, which does not change, we find a confirmation in two Self-realised beings.

Sri Nisargadatta Maharaj has expressed it thus to us:

"I AM now 80 years old and yet I am the infant of 80 years ago. I feel clearly that, in spite of all the changes, I am that child. My guru told me: "That, which is you even now, is your real Self, I me nipa. Go back to that state of pure ego-free being, where I AM is still in its purity, before it got contaminated with this I AM or that I AM. : Your burden of false identifications. Abandon them all. My guru told me: "Trust me, - trust me! I tell you: You are divine. Take it as an absolute truth. Your joy is divine, your suffering is divine too. All happens by its Self. All comes from God. Remember it always: You are God. - - - Your will alone is done". I did trust him and soon realised - how wonderfully true and accurate were his words. I did not condition my mind by thinking: "I am God! I AM wonderful! I AM beyond! I have realised". I simply followed his instructions, which was to focus the mind on pure being "I AM" and stay in it. I used to sit for hours together with nothing but the "I AM" in my mind and soon the peace and joy and deep, all-embracing love, became my normal state. In it all disappeared, my ego-mind, my guru, the life I lived, the world around me. Only peace remained and unfathomable Silence - - -"

Sri Ananda Mayee Ma is also in a body, that is said to be more than 80 years young. She has said unto us also something similar - : When-
